

The Chapin Unified Zoning & Development Ordinance Committee will be holding a second open house on 11/3 from 4:00 p.m. to 6:30 p.m. The public is invited to learn more about the zoning update process and provide valuable input into Chapin's future development.

While we anticipate that a majority of the unified development committee and town council will be in attendance, this will not be a formal meeting and no official actions by either board will be taken at this event.
