Open Comments:

Chair Reed noted to Mr. Singletary that Aquarius Spa may change their plans, and since plans have already been approved for that location, any major changes to the plan would have to come back to the ARB. He also noted that the contractor for that project is also looking to update a building on Beaufort Street and wanted Mr. Singletary to be aware.

Member Tucker informed the ARB that Dominion is switching their lights out, and the color temperature is high, making the color appear blue/violet. He noted that with the current lighting that exists in town, this new switch would look strange and wanted to make the group aware of this change.

Mr. Singletary noted that Member Fisher has been out with his wife and new baby, but anticipates returning for the regular meetings next month. He also informed the ARB of the upcoming unified zoning and development ordinance community engagement session on October 20, 2022 from noon to 6:00 p.m. and encouraged the ARB to attend. He also informed the ARB of potential dates for a continuing education session on October 26 or October 27.

Adjournment: Member Tucker moved to adjourn the ARB Meeting. Vice Chair Meetze seconded the motion. Meeting adjourned at 6:25 p.m.
