MURAL FOR THE CHAPIN ARTS TRAIL

If you've happened to take ride down Clark Street and noticed wings of an angel and the name of our town on a new blue wall, you have found the newest piece of the Chapin Art Trail crafted by the Crooked Creek Art League and artist Nikki Peeples.

The new mural is the 31st addition to the Chapin Arts Trail that boasts just as many artists. The mural is produced with support from the state Arts Commission, the Town of Chapin, the Chapin Chamber of Commerce and many others.

CCAL Master Artist Barbara Teusink spoke to her excitement about the project and its implementation in the Chapin Arts Trail. "Crooked Creek Art League is pleased to be partnered with the Town of Chapin and local businesses to shine a light on the vibrant arts scene in Chapin and surrounding Lake Murray communities. The Chapin Art Trail not only beautifies the community but also provides an attractive and memorable journey that enhances the quality of life for residents and visitors alike. Through a website and promotional materials listing authorized public works of art and art-related sites in the greater Chapin area, the trail enables citizens to engage in an ongoing self-guided tour of the area, while visiting the many works of public art. This area is rich with talented local artists and art lovers."

Teusink went on to say, "One of the best parts of visiting an area is finding all the wonderful things that make it unique. Artwork is a vital part of that and enriches our daily lives. Murals, statuary, gardens and sculptures make places more interesting and memorable. The Chapin Art Trail is designed to celebrate public artwork and make it easier for members of the public to find and enjoy. You are encouraged to participate in an ongoing self-guided tour of the area and its many works of public art. You can go in any order and view as many as you like during your visit."
